

Elizabeth Rummel School

Principal's Message

Dear Parents,

Happy June everyone! When looking back on a year ago, we feel thankful everyday that we are able to safely have students in school and have them connecting with one another and the many positive adults around. What a year it has been. As we approach the final days to end this school year, We want to express our appreciation to our families who worked closely and partnered with our staff to provide our students the opportunity to continue learning. It's so great that we were able to open our doors to parents, volunteers and visitors. We truly could not have accomplished our tasks without the support and dedication of all of you! As well a huge thank you to all of the staff here at ERS. Their professionalism and dedication to our students is amazing. From teachers, educational assistants, administrative assistants, our librarian, lunchroom supervisors, and especially custodial staff, we are deeply grateful. We also want to thank the parent council for all their support this year. Their fundraising efforts have enabled us to enhance many of our programs offerings. This group is amazing and our students have benefited from their efforts greatly!

Now to our students. Your efforts, flexibility, and dedication have made us all proud here at ERS. You have all been able to adapt, pivot, and continue to smile. Way to go. And congratulations to our grade 3 students who will be leaving us to attend LGMS in the fall. We will miss you, but are certainly grateful for the time that you have spent here at ERS. Best of luck to you all.

We hope you enjoy the remainder of the month of June and wish you a wonderful summer holiday to look forward to, keeping health and safety in mind. Take care and we look forward to the opportunity to be together again in the fall.

Sincerely,

Brian Wityshyn - Principal

Nicole Skwara - Assistant Principal
