ERS HAPPENINGS

Did you know...?

ERS students have engaged in active citizenship through connections with seniors at Origins and Bow Valley Senior Center; visits to the local SPCA; being snow angels by clearing neighbors' driveways and sidewalks; and will soon participate in a community clean-up in connection with the Town of Canmore bylaw officers.

ERS staff and students will be reflecting on who and what they are grateful for throughout the final weeks of April. We at ERS want to say just how grateful we are to all of our families and their support each and every day.
