## ERS HAPPENINGS

Time flies when you're having fun learning Welcome to June!

Did you know?

National Indigenous Peoples' Day is June 21st. This year ERS will celebrate together in an assembly June 13 @ 9am. We are thrilled to welcome our local Knowledge Keepers as well as local Stoney drummers and dancers to join our school wide celebration. You may even see some ERS students dancing or drumming, too!

Have you seen and heard?

Our grade 2 and 3 students have been learning about animal life cycles and food chains. Recently they have been able to watch the metamorphosis of butterflies and the hatching of chicks. It has been so exciting to watch and learn along with them!

Congratulations!!

With 35 years of teaching, our very own Lisa Young is retiring after this year. It's difficult to say goodbye to someone as amazing as you, but a heartfelt thank you for your dedication to all those students over the years. Happy Retirement and all the best!
